## 2021 PROVINCIAL CONVENTION

Ready. Set. Ready. Set. Set. Set. Ready. Set. Go. That has been the way for the last 2 years. We have the Convention planned and all set to go. There has to be a minimum of 50 in person registrations in order for it to work. The first registration in was Fern Killeen.

We are apologize that the deadline for Early Bird registrations is so soon after the information was out and then the handicraft notification was so very short but with all of the COVID restrictions and uncertainty it was the best we could do. All of the information had to go out on the internet and we realize that many Branches will not be meeting in this time frame.

Linda Toews has planned a wonderful, fun convention for us and I do hope that we can see many of you face to face (even if we have to wear masks). There will be much of the convention that you can join in virtually but you have to register for that so it can be set up. Deadline for virtual registration is also Sunday, Sept. 5. The pre convention and post convention tours are open to all as are the workshops, Registration is required.

The Handicraft display will be open for the public to view on Tuesday and I hope that they will put in a donation in recognition of all of your fine work.

We have 2 speakers on Tuesday afternoon. Sharon Anderson will be speaking about Family Caregivers; The Backbone of the Health Care System and Society. Sylvia Wold, a motivational speaker will be speaking on New Beginnings. Sylvia has a great sense of humor. The public may attend to hear these two great speakers for \$25 at the door or \$20 in advance. See pg 2 for details.

When you are donating items for the on line silent auction please send a picture to the office and the name of the Branch and the location of the item by noon Friday, Sept 17. This will give Bernadette time to get our auction going a week before convention. The on line silent auction will end on Sept 28.

There will also be a silent auction at the Convention as we have done before.

One of the new and fun things is the Closet Fashion. Virtual attendees can send in photos for this. The classes are Dressy Clothing, Night Apparel, Outdoor Clothing and Footwear. It is people's choice judging with proceeds going to ACWW/FWIC travel fund.

If you have lost Branch members due to death please send a picture and write up in so she can be honoured at the Memorial Table and put into Home and Country.

All of the cash raffle tickets are out so I do hope they are being sold.

I am so looking forward to seeing you and you and you too at the convention in Camrose Sept 28-29.

She has been conducting the survey we recently forwarded to AWI members on caregivers in Alberta and how COVID has affected them, and may have some early results to share with us.

**Sylvia Wold** is a motivational speaker and will be speaking on "New Beginnings." She has 30 years in public service including 20 as Administrative Manager of Seniors Supportive Housing in Castor. She is also a partner in 5 Directions Consulting, developing programs for Baby Boomer Women who want to be surprised and inspired to participate in prevention focused health decisions.
