### Future Fashion

What will the fashions be in the future? Will they be a reprise of previous fashion – 1960s, 1970s, 1920s, perhaps? Or will they be something totally out of this world? You decide and show off your creations. People's Choice judging for this fun contest (\$1 per vote). Proceeds will go towards the ACWW/FWIC Travel Fund.

## CONVENTION DETAILS

### Workshops – Thursday, June 6, 2024

Workshop #1 – “Using Social Media to Promote your Branch” \$10.00 each – 6:30-8:00 pm with Executive Director Bernadette Logozar. Word of mouth is still the best way to build a business or organization. Social media at its core is word of mouth or maybe ‘world of mouth,’ and you can use it as a way to build relationships with new and existing members. Blogs, Facebook, Twitter (X), RSS, What are they and should you be using them? This hand-on workshop will give you an overview of the different social media that you can use, and help you get started with using these for your organization.

Need laptop or tablet to participate.

*Class size limited so register early.*

Workshop #2 – “Needle Felting” \$10.00 +\$10 supplies each – 8:00-9:30 pm with President Linda Toews. Always wanted to try your hand at felting? Needle felting is a great way to start as it is the least time-consuming felting method to master, and requires less effort, yet yields a beautiful sculpture or other creation in a relatively short time.
